MILLÉSIME CHOCOLAT

is a bean-to-bar craft chocolate producer in Belgium that creates authentic chocolates from vintage raw cocoa beans that carry non-modified strains of ancestral genes of cocoa tree to the finished product Their distinctive trait is that they only work with beans from exceptional plantations and terrains, putting the spotlight on their defining characteristic, never mixing harvests, regions or vintages. As in the world of wine-making, each of the chocolates is exclusive, bearing its harvest year and its specific terrain. Using organic cocoa beans exclusively from environmentally friendly plantations that do not engage in intensive farming, they work directly with cocoa bean farmers that ensure fair wages and stand firmly against child labor.

WILLIE HARCOURT-COOZE, cacao farmer, pioneer and chocolate fanatic, has redefined how millions of people worldwide think about chocolate. He makes real chocolate, in small batches, 'bean to bar' using only the world's great single estate cacaos, which he buys direct from the farmers. Because the best ingredients make the best flavours everything is 100% natural — you'll find no vanilla or soya lecithin hiding the precious flavour notes of his beans.
