CELEBRATING
25
YEARS

Since our humble beginnings importing a handful Nirvana Chocolate bulk cases for the Holiday Season in 1998, until now 25 years later, we have consistently focused on sourcing exceptional products from our artisanal chocolate and confection producers for our wonderful family of loyal customers. At Belgium's Chocolate Source, we pride ourselves in bringing some of the finest all natural confections and chocolate brands from Europe to our US retail partners who share our goals of representing the best of what these makers have to offer. We carefully select brands with unique stories — creations that inspire and contribute to the success of all our partners. From artisanal bean-to-bar organic cocoa sourced across the world, vegan and all-natural exquisite confections, to fair trade chocolate selections, each of our brands are made with superior ingredients and craftsmanship while showing a commitment to the environment and social responsibility.

WE LOOOVE CHOCOLATE

But chocolate only really tastes great if you know that your choco cravings contribute less to the warming up of our planet. Did you know that milk chocolate emits as much CO₂ as pork? Hands off wants to create chocolate that doesn't melt the earth and make plant-based chocolate the norm.

That is why we make the most delicious plant-based chocolate and together with cocoa farmers we fight deforestation.

Willie Harcourt-Cooze, cacao farmer, pioneer and chocolate fanatic, has redefined how millions of people worldwide think about chocolate. He makes real chocolate, in small batches, 'bean to bar' using only the world's great single estate cacaos, which he buys direct from the farmers. Because the best ingredients make the best flavours everything is 100% natural — you'll find no vanilla or soya lecithin hiding the precious flavor notes of his beans. *Join The Chocolate Revolution!*

RICH DARK DRINKING CHOCOLATE
52% Single Estate Cacao 8.82oz. (250g.) 8/case.
WC515A

100% Natural, contains only cacao and raw cane sugar. Vegan.

This is one luxurious hot chocolate powder, and no wonder since it is made with one of the world's great single estate cacaos. This is what gives it its soft, round fruity notes and incredible depth of flavor.

We make it from the bean with the same uncompromising commitment to quality as with our chocolate.

We give the beans a light roast, and then conche at low temperatures for up to 21 days until the flavor is perfect. Finally we press out some of the butter using early 20th century cocoa butter presses, and mill it into a powder with the raw cane sugar.

100% Natural, Vegan, Dairy Free, Gluten free and Soy Free

Chosen as the best Hot chocolate in the UK by the Independent, it is simply 52% Medellin cacao and raw cane sugar.

NAPOLEON

SINCE 1912

Napoleon sugar candy was founded in 1912 by baker Louis Janssens on the Hoogstraat in Antwerp, Belgium. Even more than a 100 years later the candy is still known for its original, traditional recipe with natural ingredients and - flavors. A delicious long taste sensation, filled with a sweet or sour powder. Meanwhile the Napoleon range has expanded in various fruit flavors. The candies are individually wrapped in wax paper wrappers, and therefore are easy to share and to carry with you.
