PLANT BASED

WE LOOOVE CHOCOLATE

But chocolate only really tastes great if you know that your choco cravings contribute less to the warming up of our planet. Did you know that milk chocolate emits as much CO₂ as pork? Hands off wants to create chocolate that doesn't melt the earth and make plant-based chocolate the norm.

That is why we make the most delicious plant-based chocolate and together with cocoa farmers we fight deforestation.

Hands off my chocolate.
Hands Off our Planet.

BITES ALMOND
4.5oz. (130g.)
9/Case
