

GUYLIAN®

DISCOVER OUR IRRESISTIBLE SEASHELLS

Guylian was founded in 1958 in celebration of love and chocolate. The brand is well-known all over the world for their iconic Guylian chocolate Seashells and exquisite in-house roasted hazelnut praliné filling. Guylian chocolates are made in Belgium and sold in over 120 countries across the world. Besides creating delicious chocolates, they actively support the Fairtrade program.

BELGIAN CHOCOLATE SEASHELLS

THE ORIGINAL AND NEW DARK SEASHELLS

The creation of Guylian's Seashell chocolate began when Guy Foubert and his fiancée Liliane returned home after a relaxing holiday on the Belgian coast and came up with the idea of making a souvenir in chocolate. When Guy married Liliane in 1958, they immortalised their love and passion for chocolate by merging their first names into Guylian and a new chocolate brand was born.

THE ORIGINAL SEASHELLS

Our Original recipe relies on carefully selected hazelnuts, which are roasted in our artisanal copper kettles, transformed into praliné and then covered in fine Belgian chocolate. **An irresistible treat, available in different pack sizes: 250g, 125g; 65g, 33g.**
