

HANDS OFF

CHOCOLATE
THAT
MAKES
YOU MELT
NOT OUR
PLANET

WE LOOOVE CHOCOLATE

But chocolate only really tastes great if you know that your choco cravings contribute less to the warming up of our planet. Did you know that milk chocolate emits double the CO₂ as pork? Hands Off aims to make chocolate that doesn't melt the earth. That is why we make the most delicious plant-based chocolate and together with cocoa farmers we fight deforestation.

Hands Off My Chocolate.
Hands Off Our Planet.
